

What's Going On? – Electric Car

What are the pros and cons of using the sun as an energy source?

Are there any other ways to make a toy car move?

What are the different parts of the car?
What do they do?

What else uses the sun as a source of energy?

Céard atá ag tarlú? – Carr Leictreach

Céard iad na buntáistí agus na míbhuntáistí a bhaineann leis an ngrian mar fhoinse fuinnimh?

An bhfuil bealaí eile chun carr bréige a bhogadh?

Céard iad na páirteanna difrúla den charr? Céard a dhéanann siad?

Cén rudaí eile a úsáideann an ghrian mar fhoinse fuinnimh?
