

THE NATURAL POWER OF WIND

EXPLORE YOUR AREA

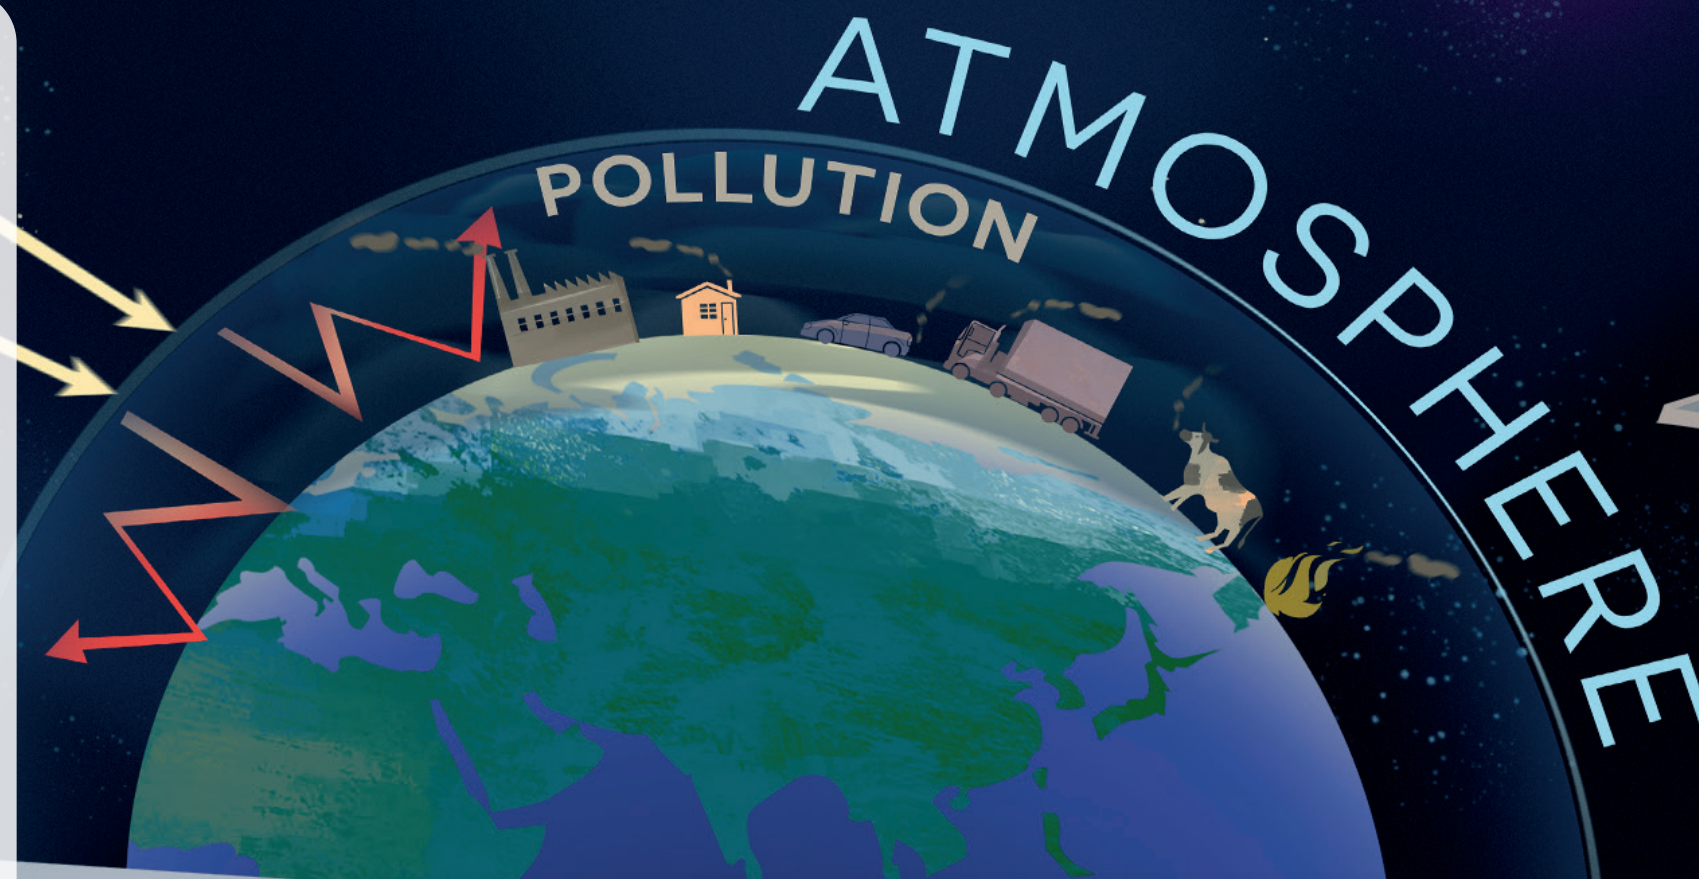

Where do you live?

Which of the following do you have in your local area -
forests, parks, greenways, cycleways?

What can you do in your community to help the
environment?

.....

.....

DISCUSSION FOR CLASS:

Have you ever visited a wind farm?

What was it like, what did you notice, see and hear?

Why are wind farms important for the environment?

Did you know wind farms can be built at sea?
