

Great Southern Rail Investigation

Try to find the answers to these questions whilst watching the video in the Building Ireland presentation. Some answers may require more research online

1. Why did they want to build the line?
2. How long was the line?
3. Why was the construction of it so challenging?
4. How long did it take to construct?
5. How long did it take to construct and what was the cost?
6. When was it opened and then closed?
