

Lesson Plan – Theme Under the Sea – Using ICT in the Classroom.
-Discussion using the pictures below and the interactive white board.

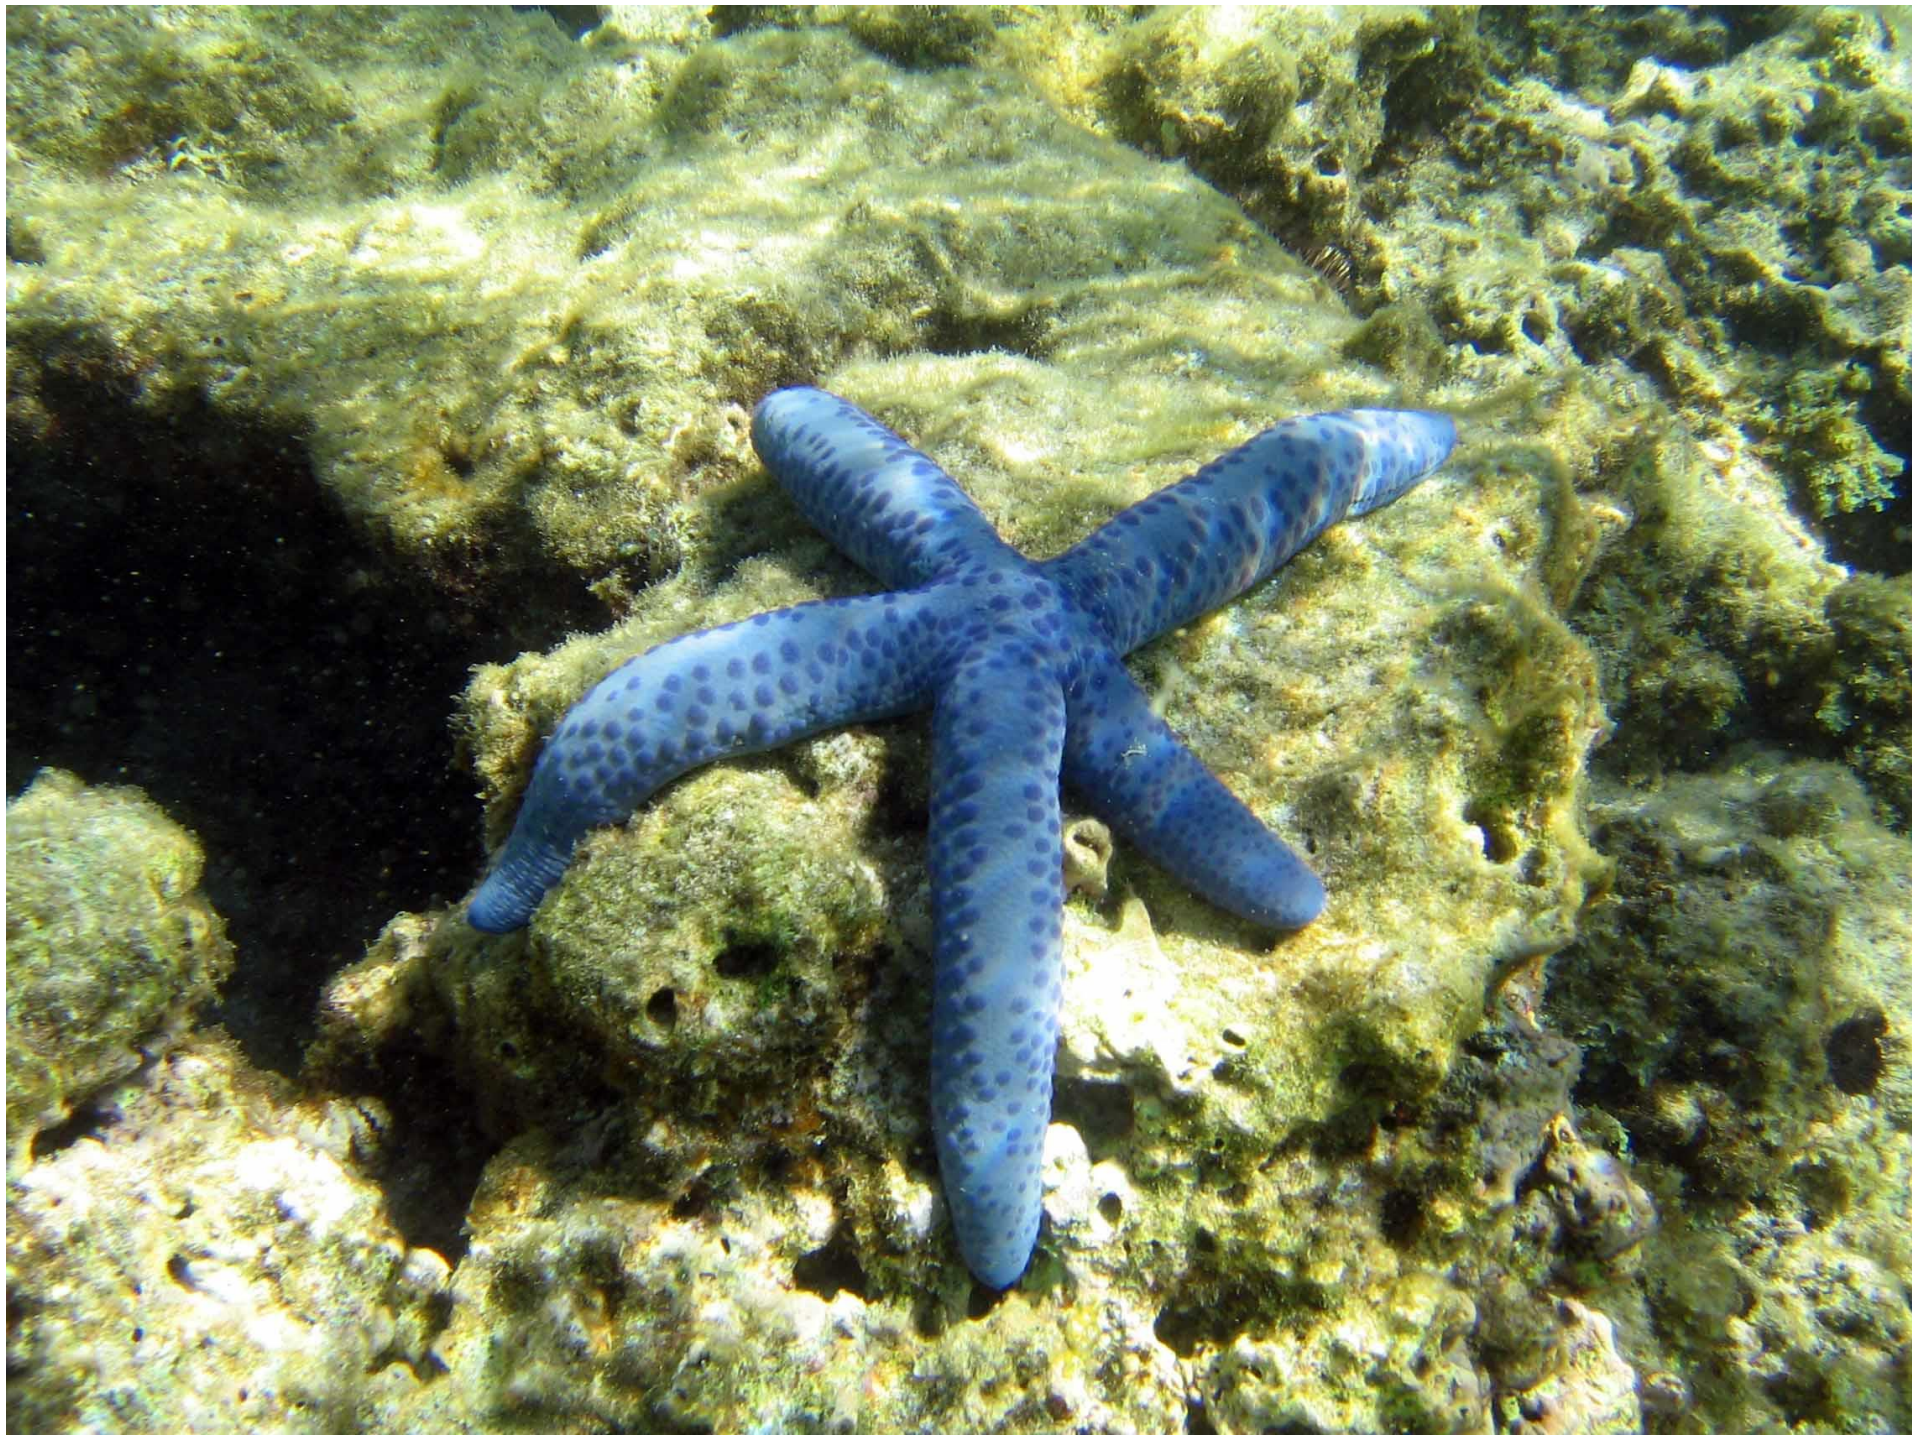

Sample Questions:

1. What colours did you see?
2. What do you see in the pictures?
3. Which is your favourite picture ?
4. Where were these pictures taken ?
5. How can a camera work under water?
6. How were these pictures taken ?

Station Teaching .

Group 1.

Will use a Draw free app to draw a picture of an under the sea theme. The pictures will be saved on the the tablets.

Group 2.

The children could draw an under the sea picture and take photographs using the Explain Everything App.

The Explain Everyting App is an Excellent Assessment tool .

Group 3.

Will use Concrete materials in order to create under the sea pictures . They will use the Explain everything app.

Group 4.

Will sort under the sea animals and land animals . They will take photographs of the groups that they make.

Extension activity – Use Google maps to show the children where the pictures were taken.

Use Skype to talk to someone who has been snorkelling or diving before in Australia.
