

**Paper 1: Date of Exam:** \_\_\_\_\_

Topic	Completed revision	Completed exam questions	Note to self on topic
Arithmetic			
Financial maths			
Algebra			
Complex numbers			
Functions			
Calculus			
Sequences and patterns			

**Paper 2: Date of Exam:** \_\_\_\_\_

Topic	Completed revision	Completed exam questions	Note to self on topic
Probability			
Co-ordinate geometry of line			
Co-ordinate geometry of circle			
Perimeter, area, volume, the trapezoidal rule			
Trigonometry			
Representing data and statistics			
Enlargements and constructions			
Geometry Theorems			

**Note:** The aim of project maths is that topics can overlap, so you can encounter paper 1 material on paper 2 and vice versa.

**Foundation level will have one written paper this year.**

**Paper 1: *Date of Exam:* \_\_\_\_\_**

<b>Topic</b>	<b>Completed revision</b>	<b>Completed exam questions</b>	<b>Note to self on topic</b>
<b>Co-ordinate geometry of the line</b>			
<b>Trigonometry</b>			
<b>Arithmetic</b>			
<b>Algebra</b>			
<b>Number systems</b>			
<b>Functions</b>			
<b>Area and Volume</b>			
<b>Data and statistics</b>			
<b>Geometry</b>			
<b>Probability</b>
