

Oral Language 'Picture Prompts' Session

Preparation:

Print and assemble a Question Cube using the template below. If working in groups make one Question Cube for each group.

Instruction:

Project, or print and distribute, the pictures below. Working as a whole class, or in groups, each child takes a turn to roll the Question Cube and ask the child on his/her right a question about the picture, using the 'W' question words. For example, 'What' is happening in the picture? 'Where' do you think the scene is set? 'Who' do you think the people are? 'Why' do the people look happy? etc. Encourage the children to use as much vocabulary and language as they can, especially adjectives, adverbs etc.
