Teacher Notes:

2:9 Identify healthy exercise for dogs

start the discussion about 'Exercise'
What is it?

What type of dogs do you see here?

How are they different to each other?

Look at expanding or consolidating vocabulary – puppy Breed, etc

Young Dog – Puppy   MaxPixel

Dogs need exercise every day.

The amount depends on the age and the breed of dog.

It is a good idea to ask you vet or look online to find out this information.

It can be between 30 mins to 2 hours!

Lets look at different types of exercise!

What types of exercise can you see in these pictures?

1. Cut out the pictures.

2. Use worksheet below. Stick the pictures of exercise into each day of the week to make an exercise timetable for your dog.

3. Write or say the type of exercise on the line below the picture.
