112 SOS

JCL2 – Short Course- caring for Animals

Students will look at a video talking about how to make a call to the emergency services.
https://www.youtube.com/watch?v=U0rF9Cj4LJ8

Maybe Play the video through once and then on the 2nd watch pause to give them a chance to speak about it

Choose a card from the pack to act as a prompt to the student.

Give one student an incident log to record the answers and the other has the picture and describes the problem the dog is involved in.
