| Week 9 | Brain dump<br>Conflict poetry     | Create a sketch-note<br>Persuasive writing  | Kahoot<br><a href="#">Romeo &amp; Juliet</a>   | Flashcards<br>All texts |

# Effective Study Techniques explained

## Sketch-Note

Students create their dual-coded notes on specific texts focusing on themes, characters, techniques & Setting

## Studied texts- Flash-cards

Students create sets of dual-coded flashcards for key texts. Students test themselves on knowledge of quotes and elaborate and connect to key moments from texts

## Kahoot

Live retrieval practice low stakes quiz on texts and writing techniques. Instant feedback on where they are at in their learning

## Critical Vocabulary Flashcards

Students create flashcards with English specific critical vocabulary (E.g: Alliteration, Narrative structure) and include multiple examples from texts they have encountered

## Brain Dump

Dump everything you know about a topic on to a blank page. Once your brain is “emptied” - go check your notes/ text book to see what you do and don’t know.
