Improv warm up 2

■ Follow the rhythm but move around to different notes of the given chord...

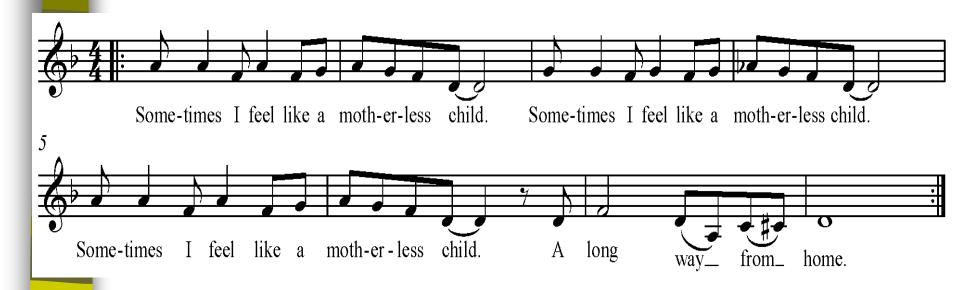

Wade in the water...Part 1:

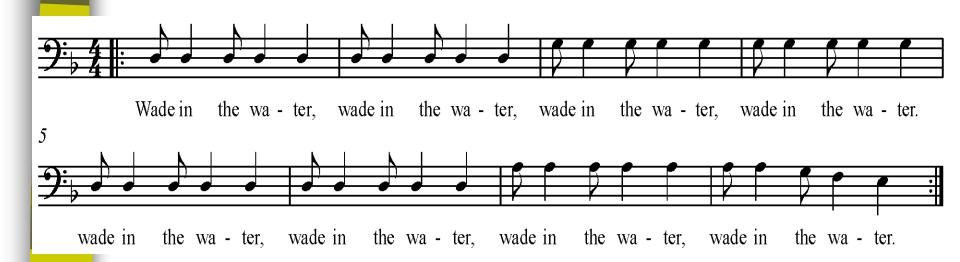

Now repeat with swing

Wade in the water...Part 2:

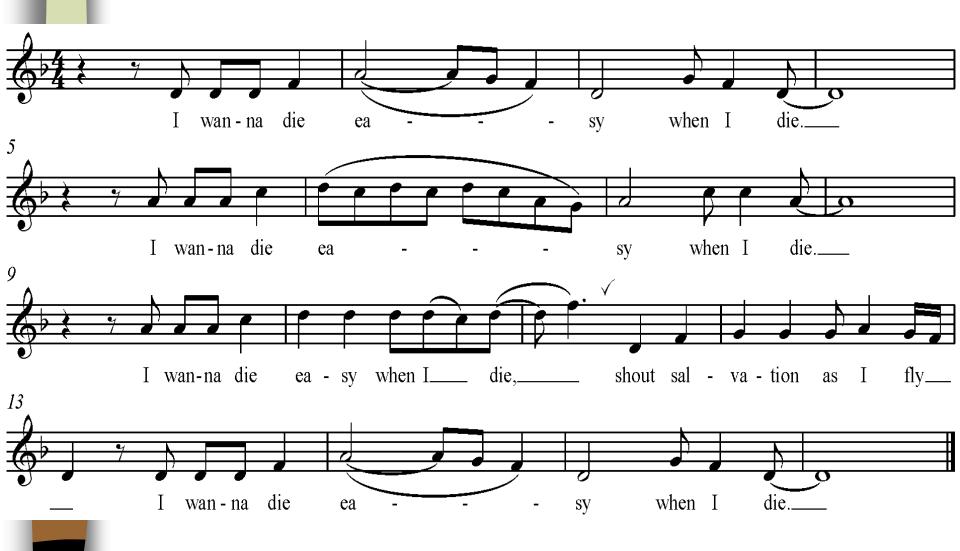

Now repeat with swing

Wade in the water...Part 3:

Wade in the water...Part 4:

Put them together...

■Build up 1, then add 2, then add bass and finally part 4. If part 4 is too difficult for your singers you could sing it, give it to a strong solo or it could be played.

Beatboxing...

- ■NB: Vocal health!
- Don't do too it for too long.
- Use a mic when possible.
- Vary your beatboxers to avoid any one singer overdoing it.

Three basic sounds...

- **■** 1. Bass:
- Quick expulsion of breath.
- Really quick 'B'.
- Push out the air as quickly as you can.
- Fill your lips and release.
- Begin with a lip trill if that helps.
- Techno sound is in the larynx ouch!

More sounds

- **2. Hi-hats:**
