Melodic elements

I used to rule the world

Seas would rise when I gave[↑] the_↓ word

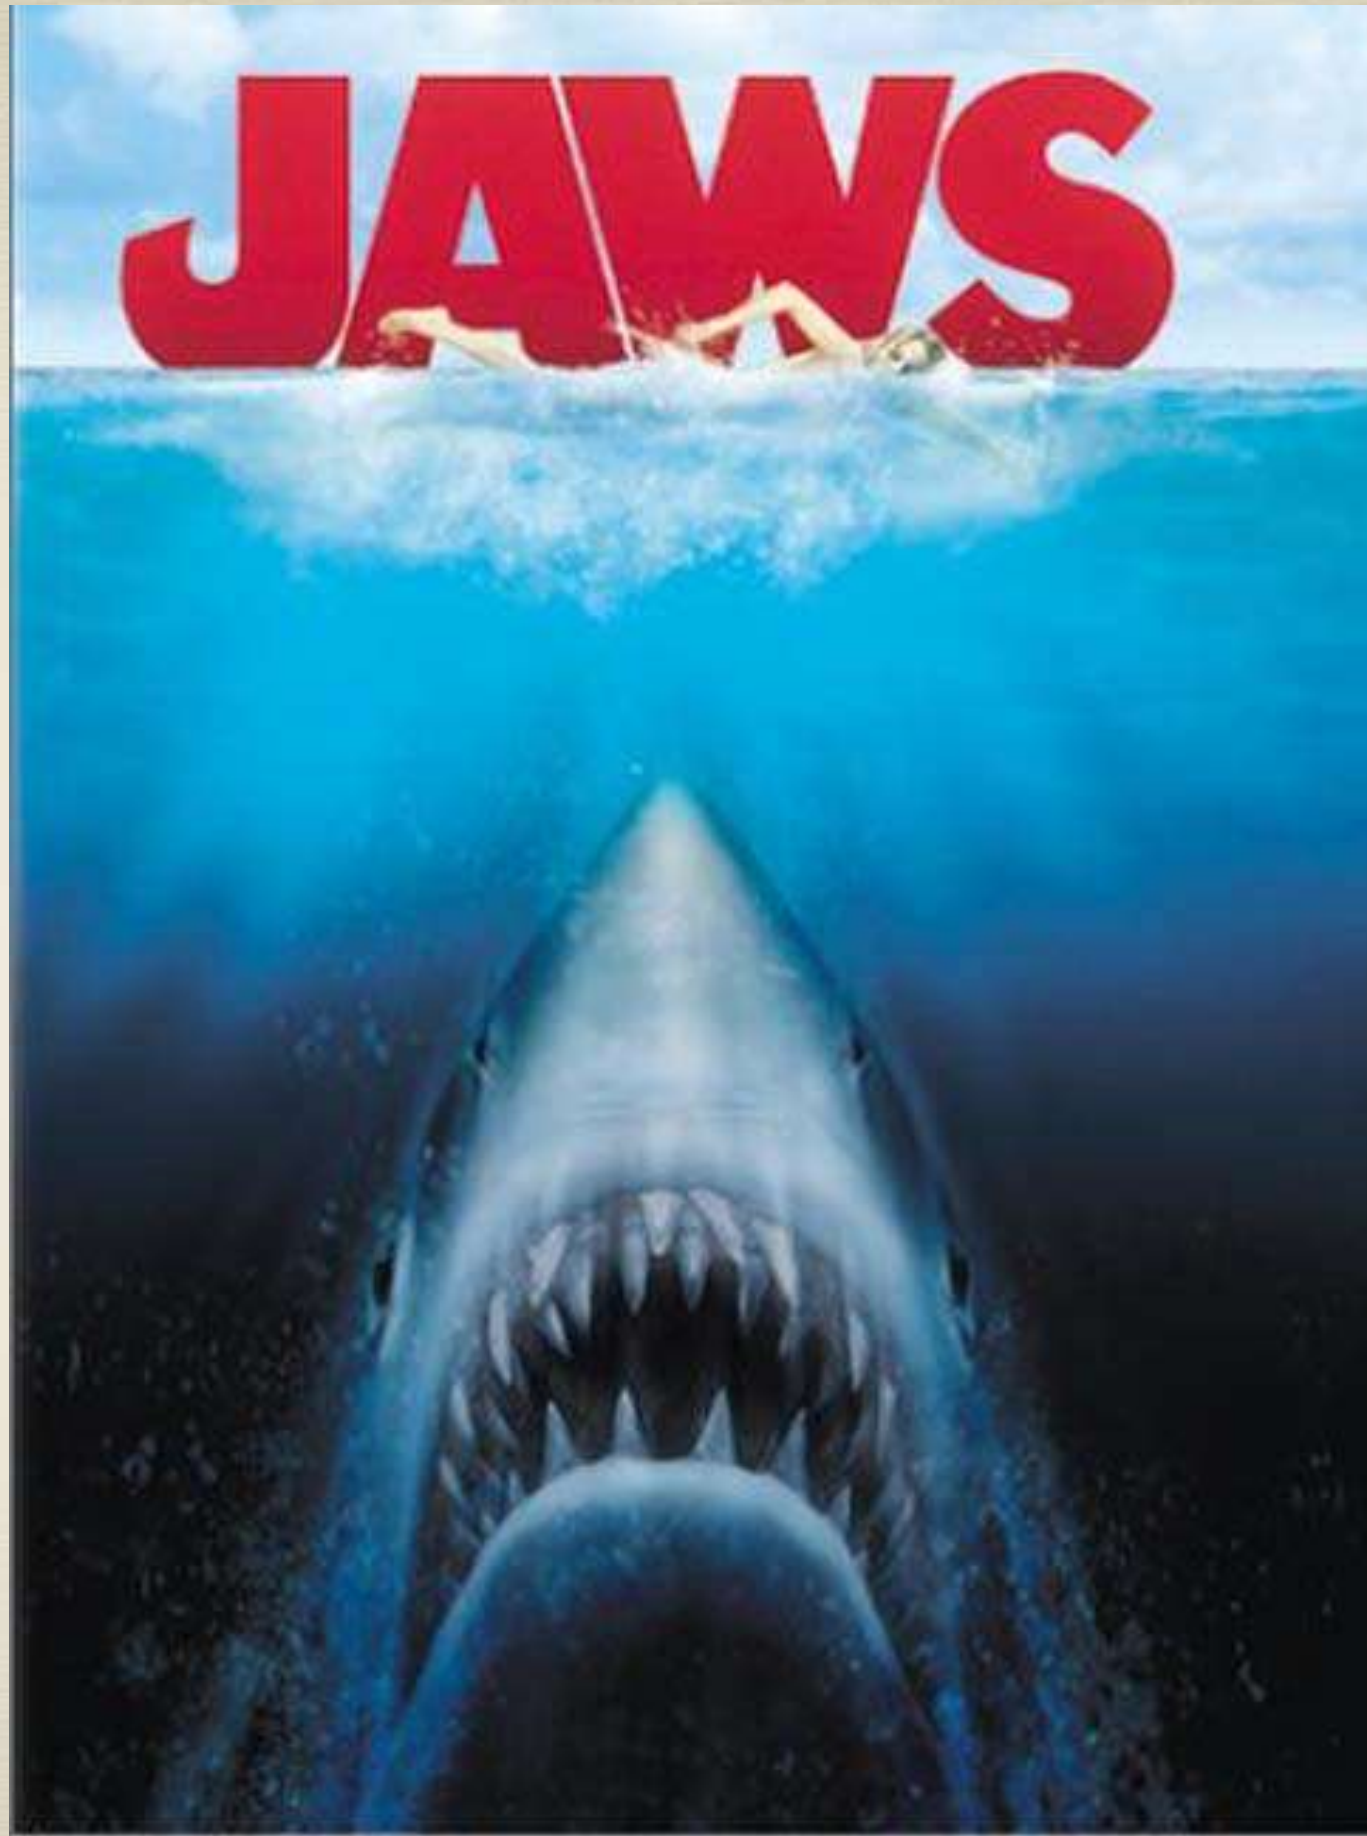

Now in a moment I sleep alone

Sweep the streets I used to own

Recognise
this famous
theme?

Play JAWS
backwards
and call it the
SWAJ theme!

Let's sing it with *Coldplay*

I used to roll the dice. Feel the fear in my enemies eyes
Listen as the crowd would sing
Now the old king is dead, long live the king

↑ One minute I held the key,
Next the walls were closed on me

And I discovered that my castles stand
upon pillars of salt and pillars of sand

School's Back!

Oh Sum-mer, seems so long ago now
'Nother year of work real hard
No more time for going out

Work hard, head down, no more fun

First week back and I'm done, Oh mid-term break, wish it could be mid-term break!

End school please so we can go home now!
End school please so we can go home now!
End school please so we can go home now!
End school please so we can go home now!

Performance of 2nd part of Verse 1

I used to roll the dice. Feel the fear in my enemies eyes
Listen as the crowd would sing
Now the old king is dead, long live the king

↑ One minute I held the key,
Next the walls were closed on me

And I discovered that my castles stand
upon pillars of salt and pillars of sand

Chorus

I hear Jerusalem bells a - ringing,
Roman Cavalry choirs are singing.

Be my mirror, my sword and shield,
My missionaries in a foreign field.

For some reason I can't explain
Once you've gone there was never,
never an honest word
And that was when I ruled the world

A later version of the chorus

Can you hear the chorus ... *I hear Jerusalem bells ...*

Can you hear the *oh.....*section

Are they the same or different?

Perform with 'oh' countermelody

I hear Jerusalem bells a - ringing,
Roman Cavalry choirs are singing.

Be my mirror, my sword and shield,
My missionaries in a foreign field.

For some reason I can't explain
Once you've gone there was never,
never an honest word
And that was when I ruled the world
