

The Story of Water-Wastewater (video 6)

Teacher notes:

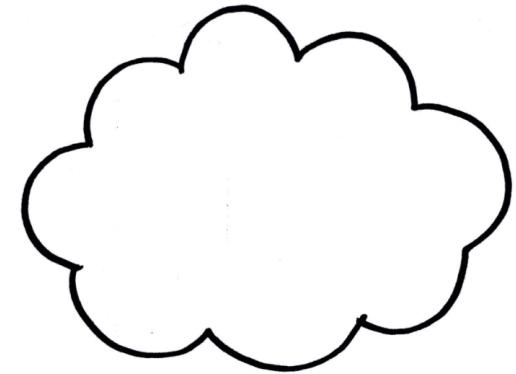

- After watching part 6 of 'The Story of Water-Wastewater' children discuss the issues with untreated raw sewage entering Irish waters.
- Explain to the class you would like them to create posters to promote awareness of the issues related to the pollution of waters in Ireland. Ask them to make reference to effects on both humans and marine life.
- Use the brainstorming sheet below to help narrow down ideas and create catchy slogans. Create class wordbank of key words to use in posters.
- Illustrate posters and present to class.
