

Activity 3: Amazing Mazes

Shape and Space

- Will your maze be two dimensional or three dimensional?
- What shape will your maze be?

Forces

- If your maze is 3D, can a marble be rolled through?
- Can you use magnets somewhere in your maze?

Problem Solving

- How difficult will your maze be? Who are you making it for?
- If making a digital maze, how will the maze work? Is there a character that will move around the maze?

Digital Technology

- Can you make a maze using digital technology?
- Maybe you can use Scratch or some other coding software to make your maze?
