My Scientific Inquiry

Aim of Inquiry   (What I'm trying to find out)

_____
_____
_____

Hypothesis   (My prediction)

_____
_____
_____

Equipment

_____
_____

Method   (How I will carry out my inquiry)

- The variables I will keep the same (Fair test)

_____
_____

- The variable I will change

_____
_____

First	Then	Next

My Results

_____
_____
_____
