

# NATURE WRITING PROMPT (2)

Now take a look at what you wrote in Stage One.

What ideas jump out at you?

Could you develop any of them into a story?

Think about your setting and characters. Now it is time to brainstorm and create a structure for your new story.

Setting

Character 1

Character 2

Character 3

# NATURE WRITING PROMPT (3)

Now you have thought about setting and characters, it is time to create a structure to your story with a Beginning, Problem, Solution and End.

Beginning
