The Portfolio seeks to demonstrate the depth and breadth of the student's capabilities and skills through examples of his/her work. The Link Module's portfolio can be viewed as a purposeful, self-reflective collection of the student's work, generated over a two year period, during the process of teaching and learning.

- Ensure student's Examination Number (compulsory) is on the outside cover of the LCVP Portfolio
- Use a method of binding that does **not have plastic covered pages**, A4 white paper with a spiral or spine bound (ensure to stable if using a spine bound)
- Portfolio items should be **perfect**, ensure consistency with a regular font, **Times New Roman size 12** is recommended, headings size 14 and margins of 2.5 3.75 cms
- Ensure the following are 100% perfect: Font, spelling, layout, grammar, punctuation and spacing
- Include a contents page with the list of Core items: 1. Curriculum Vitae, 2. Enterprise/Action Plan, 3. Career Investigation and 4. Summary Report and Optional items: 1. Diary of Work Placement, 2. Enterprise Report, 3. My Own Place Report and 4. Recorded Interview/ Presentation.
 Place the Portfolio items in the order of the LCVP marking scheme
- Place an insert page in front of **each** item with its **title** on it e.g. Curriculum Vitae and then the Portfolio item Curriculum Vitae, etc
- If submitting the Recorded Interview/Presentation remember to include this item in your contents
 page
- Place a copy of the **video sequence sheet** Portfolio with the individual student name and Leaving Certificate number highlighted on it

TIP:

A good idea is to hand number all pages to ensure that they are presented in the correct order. However the detailed reports will have the page numbers word processed.
